

Call for Participation

We invite you to join us in **13th International Conference on Artificial Intelligence and Applications (AIAP 2026)**.

Artificial Intelligence continues to redefine the boundaries of science, engineering, and society. As AI systems grow more capable, multimodal, autonomous, and integrated into real world environments, the need for rigorous research, responsible innovation, and cross disciplinary collaboration has never been greater. AIAP 2026 provides a premier international forum for researchers, practitioners, and industry leaders to share breakthroughs, explore emerging directions, and discuss the challenges shaping the future of AI. We invite high quality submissions presenting original research, significant results, innovative applications, and comprehensive surveys across the full spectrum of Artificial Intelligence.

Highlights of AIAP 2026 includes:

- 16th International Conference on Computer Science, Engineering and Information Technology (CCSEIT 2026)
- 7th International Conference on Cloud and Internet of Things (ICCIoT 2026)
- 19th International Conference on Network Security & Applications (CNSA 2026)
- 13th International Conference on Data Mining and Database (DMDB 2026)
- 13th International Conference on Bioinformatics and Bioscience (ICBB 2026)
- 15th International Conference on Information Theory (IT 2026)
- 15th International Conference on Mobile & Wireless Networks (MoWiN 2026)
- 7th International Conference on Natural Language Processing, Information Retrieval and AI (NIAI 2026)
- 7th International Conference on Signal Processing and Machine Learning (SIGML 2026)

Registration Participants

Non-Author / Co-Author / Simple Participants (No Paper)

100 EURO for Online (Without Proceedings)

490 EURO for Face to Face (With Proceedings)
